homeownership program; however, HUD will not give final approval of any site or unit until the required environmental review has been completed.

(f) *Information.* The PHA shall supply all relevant information necessary for the responsible entity, or HUD, if applicable, to perform the environmental review for each property included in the homeownership program, and, if necessary, shall carry out mitigating measures or select alternate eligible properties. Where HUD performs the environmental review, the PHA shall comply with 24 CFR 50.3(h).

(g) *Non-exclusivity.* Nothing in this section relieves the participating PHA, and its partners and contractors, from complying with all requirements of 24 CFR part 50 or part 58, as applicable.

§ 906.49 HUD approval; implementing agreement.

HUD may approve a homeownership program as submitted, conditionally approve it under § 906.47(e), or return it to the PHA for revision and resubmission. Where such conditional approval is given, the PHA, partners, and contractors remain subject to the restrictions in § 906.47. Upon HUD notification to the PHA that the homeownership program is approvable (in final form that satisfies all applicable requirements of this part), the PHA and HUD will execute a written implementing agreement, in a form prescribed by HUD, to evidence HUD approval and authorization for implementation. The program itself, as approved by HUD, must be incorporated in the implementing agreement. Any of the items of supporting documentation may also be incorporated, if agreeable to the PHA and HUD. The PHA is obligated to carry out the approved homeownership program and other provisions of the implementing agreement without modification, except with written approval by HUD.
